Afsana Chowdhury

Web designer

PERSONAL SUMMARY

I'm an ambitious and self-motivated web designer, who possesses self-discipline and the ability to work with the minimum of supervision. I'm Able to play a key role throughout a sites development to ensure maximum accessibility, customer experience and usability. A good team player who thrives on creating engaging creative solutions, is deadline orientated and have the ability to produce detailed technical specifications from client requirements.

I'm a quick learner and I can absorb new ideas and can communicate clearly and effectively. I'm currently looking for an opportunity to join a dynamic, ambitious, growing company and forge a career as a first class website designer.
